**4. How do I know if I am shortlisted for the scholarship assessment exam?**

Shortlisted candidates will be notified by phone to come for an interview and an assessment exam. You do not need to study any particular subject, just to come prepared as you are. The Assessment Exam is based on the students' reasoning ability, verbal and non-verbal skills. This helps the school to assess the level of each student's capability.

**5. Who will be interviewing me?**

Members of senior management from Taylor's International School will be interviewing the candidates.

**6. What happens if I am sick or absent on the day of the scholarship assessment exam or interview?**

You can defer by providing a medical certificate, and contact by phone/email to the scholarship panel, if possible by 2 working days.

**7. How can I prepare for the interview?**

The interview will be a chance for the Scholarship Panel to meet and know the student better. Applicants should be confident to share and express themselves with the scholarship panel.

**8. If I accept the offer of a scholarship, can I change my mind later?**

Yes, you can decline the scholarship (within a week from the receipt of the Offer Letter). However, once declined the scholarship will not be offered again. Once the candidate has decided to accept the offer, he/she must within a week bring the Offer Letter to the Admissions Department to register with the School.

**9. Are there any academic or behavioural expectations attached to the award of a scholarship?**

The scholarship may be revoked if there are serious disciplinary offences within the 2 years of the scholarship period. However, this would be after careful consideration and dialogue between the School and the candidate.

It is mandatory for the scholarship holders to pass all the School and public examinations and consistently maintain high academic standards, as well as participate actively in the institution's sports and co-curricular activities (CCAs).

The Scholarship holder is required to diligently attend all classes as required by the School, unless he/she is unable to do so due to illness, in which case a medical certificate must be produced.

The Scholarship holder is required to demonstrate exemplary behaviour and to comply with all the School's rules and regulations at all times. The Scholarship holder is prohibited from engaging in any activity that may adversely affect the School's or TEG's reputation.

**12. Who should I contact if I have any questions?**

For enquiries, you may contact Ms. Lam Sau Cheng / Ms. Peramela Kathiraveloo at 03-9200 9898 or email to [scholarship@kl.tis.edu.my](mailto:scholarship@kl.tis.edu.my).
